This Half Term's Learning - Year 6 (AUT 2)

Dear Families

This half term, your child will be focusing on a wide range of different subjects continuing our topic of Conflict and Resolution. This half term we are Artists.

Your child will be learning...	
English	We will continue to focus on our topic Conflict and Resolution. Using this theme we will analyse and write stories thinking about refugees and their journeys to escape conflict. We will focus on war poetry at the end of the half term. As we begin to prepare for our SATs, we will also have a large focus on spelling, punctuation and grammar (SPAG).
Maths	In Maths, we will focus on division, fractions, percentages and decimals. We will develop our application and problem solving skills through these topics.
Science	This term we will focus on Electricity including the history of its discovery and how circuits work. We will incorporate practical and reading activities into this learning.
Learning for Life	We are Artists: We will use our theme of Conflict and Resolution to inspire our artwork. Focusing on techniques used by Roy Lichtenstein and Nizar Ali Badr we will develop different artistic techniques and skills such as development of ideas and analysing work.
RE	Our focus this half term is Christianity. We will study Christians and how to live: What would Jesus do?
PE	The children will be learning about the skills used in gymnastics.

Dates for your Diary
