EYFS thought for week EYFS/KS1	I follow the school rules.	I try to make happy choices so I don’t upset myself or others.	I am being polite when I wait for my turn and say please and thank you.	I help my friends to do their best.	I always try to make happy choices.	I am creative. I like to dance, draw, paint and write stories.	I say, "No!" to things that could hurt me.	I keep my school tidy.
Thought for week KS2	I follow the rules and try to make my school a better place.	I work out any problems I may have, without hurting myself or others.	I am being polite when I wait for my turn and say please and thank you.	I encourage my friends to do their best.	I always try to do the right thing.	I am being creative when I dance, draw, paint, write a poem or a story.	I say, "No!" to things that could hurt me.	I look after my community by putting rubbish in the bin

EYFS thought for week EYFS/KS1	If something makes me upset, I think of things I can do to make me feel happier.	I always try to do my best.	It’s fun to do things with my friends.	I like to share. It makes me and my friends feel good.	We are all different but we can all be friends.	It’s nice to tell other people what I like about them.	I am a special person. I am different from everyone else.	
Thought for week KS2	When things do not go my way, I stop and think of what I can do to make them better.	I feel successful when I do my best.	When I cooperate with others, I get more done.	Sharing with others makes me feel good and makes them feel good too.	I like to get to know children who are different from me	I look for what is good in others and I say what I like about them. EYFS thought for week EYFS/KS1	I am kind to others they will be kind to me.	I do not make other people feel sad.	I think of happy things if I feel sad.	I say kind things about others.	If I concentrate, I will finish everything that I need to do.	I try to look after things and keep everywhere tidy.	If I make happy choices, it makes others feel good.
Thought for week KS2	I treat others the way I want them to treat me.	It is okay to laugh at funny things, but not to laugh at others.	When I am sad, I help myself feel better by thinking of things that are good in my life.	I do not gossip; if I cannot say anything helpful, I do not say anything at all.	When I use my time wisely, there is usually enough time to do what I want to do.	I care about our environment, so I recycle and do not litter.	How I look is not as important as how I act.
