

Safeguarding Policy

WHY?

All staff at George Betts have a responsibility to ensure the safety of the children in our care.

HOW? WHAT?

All Staff:

- All staff are familiar with the school's **Safeguarding Policy**
- All staff are trained to recognise the signs of abuse and complete **Level 1 Safeguarding Training** (regular updates received through PDM's, FlickLearning and staff briefing)
- Any child not in school or who are open to services will have a safe and well home visit from school
- Any child on a **reduced timetable** will receive a safe and well home visit from school
- All concerns or disclosures in regards to a child or adult, no matter how small are recorded on a yellow **'Record of Concerns'** form and **'Safeguarding Flow Chart'** is followed accordingly. Once a concern has been identified it is treated sensitively and confidentially by the Designated Safeguarding Person or Safeguarding Team. Appropriate action/support plan will be devised and implemented by the Safeguarding Team members, including work with Parents, Children and other outside agencies.

Disclosures

When a child makes a disclosure the member of staff with the child should only record what the child has said and not ask leading questions. Prompts should be: Tell me, explain to me, describe to me, outline for me.

Home Visits

A home visit will take place if a child is out of school. Please refer to the [Home Visit Policy](#) and [Behaviour Policy Pack](#)

Safeguarding Team

The Safeguarding Team consists of:

- ❖ Sarah Edwards (Designated Senior Lead)
- ❖ Ghulan Abdulla
- ❖ Saqia Malik
- ❖ Gurdev Kaur
- All concerns are logged on 'My Concern'. The Safeguarding system is secure and can only be viewed by the Safeguarding Team and SLT. If a concern is raised by a member of the Safeguarding Team then it is their responsibility to log the information. The Designated Senior Lead is verbally informed about any disclosures or concerns.
- If a file is open on a child all monitoring notes and additional actions which relate to the initial concern or disclosures are added to the same file.
- The Safeguarding Team will make all referrals to the Local Authorities Children's Trust, however, children who have been referred or are causing concern will be regularly monitored.
- Everything recorded on 'My Concern' is factual and not speculation.
- If there is a concern about any child, from any member of staff, that needs immediate action for the safety of the child a 'crisis' Safeguarding Team Meeting is called to discuss actions.
- Local Authority Children's Trust/SPOC Team/Early Help COG services are contacted for advice whenever necessary.
- Weekly safeguarding meetings take place, to discuss all monitored children, new concerns raised and family support follow ups.
