Home Learning - Self-Isolation

Dear Parent/Carer,

If your child needs to self-isolate due to a them or other members of the household having COVID-19 symptoms, or if we need to close their class bubble in school, there will be work set for them to complete if they are well enough.

Please note: it is an expectation that your child will complete work sent home if they are well enough to do so.

Please read the expectations below:

Offline Learning (paper based)

Your child will need to complete a Home Learning Pack. If you have told us your child is showing symptoms, please collect this from school ASAP. If they have been sent home by school, they will have this in their book bag. They will also have a home reading book to read. They should read this **every day**.

Online Learning (electronic device)

Please use [this link](#) to access the EYFS Home Learning Site. This has access to lots of lessons for your child to access at home. Please ensure they complete the following:

- 1x Phonics lesson per day (In the Literacy Area)
- 1x Maths lesson per day.
- 1x PE session per day

There are many more learning activities to explore on the site if you choose to do so.

In the event of the entire bubble closing, new lessons will be uploaded daily. You will see an announcement that looks like this:

School will continue to work hard to ensure that the disruption to your child's learning is minimised. Please help us by ensuring that your child accesses the work we put in place. If you need support, please email gbparents@gbshp.org.

Thank you for your continued support.
