Concerns

If our school has a Child Protection concern about a child/ren we have a duty of care to complete a **Multi-Agency Referral Form** to share information with Sandwell Children's Trust. If the concern is in relation to the Parent/Carer school cannot share information.

If you have a concern and wish to discuss anything please do not hesitate to make contact with our school office on 0121 558 0472 and ask for the Wellbeing Team.

We are an Operation Encompass School.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced, any domestic abuse. Operation Encompass will ensure that a member of the school staff, known as a Key Adult, is trained to allow them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have been experienced a domestic abuse incident.
