

After School Clubs - Autumn 2

Monday 2nd November - Friday 18th December 2020.

In the current situation, after school clubs are childcare provision, with simple activities such as colouring, reading, watching films etc. Unlike before, they are not restricted to certain year groups, therefore, siblings are able to attend the same club if needed.

The clubs will run from Monday - Friday until 4.30pm. It is important that someone collects your child/children **promptly at 4.30pm**. Children **are not allowed** to walk home, even if they are in Y6 and have permission. This is because the nights are drawing in and we do not want pupils walking home from school in the dark.
